

**Chapter 72 – Housing & Life Safety Standards**  
**Proposed Fee Schedule Amendments**

**One & Two Family Dwellings:**

- Rental units would be required to submit an application as defined within Chapter 72, Housing & Life Safety Standards;
- Permit submitted as a self-affidavit (property owner certification, no inspection required);
- Proposed permit fee: \$50.00;
- Approved permits valid for 2-years.

**Multi-Family Dwellings:**

- Permit required for structures with three or more rental dwelling units; as defined within Chapter 72, Housing & Life Safety Standards;
- Proposed permit fee - Base fee: \$50.00, Per Unit: \$25.00 (Example; a 3-unit rental structure would have a proposed permit fee of \$125);
- Structures consisting of 3 to 11 units: Permit valid for three years;
- Structures consisting of 12 or more units: Permit valid for one year;
- Permit review and inspection completed by Fire Chief.
